Hello, Scouters!

Spindletop District leadership wants to help our Council's Scouts by sponsoring a regional merit badge day event.

This program will provide youth in the Scouts BSA program of all ranks and ages an opportunity to complete, or substantially meet the requirements of numerous merit badges- both Eagle required and others.

Like most events, what we can accomplish will be determined by how much help we can garner.

We'll need merit badge counselors, assistants and a small cadre of administrative support. This event will allow troops with limited counselor resources the chance to get badges for which they otherwise wouldn't have access.

If interested in serving as an adult volunteer in any capacity, please reply to event Chair Robin Angenend via email at: robinangenend@gmail.com

To help us gauge interest and get the ball rolling please reply now!

BE PREPARED!
