Scott Scout Ranch - Three Rivers Council

The purpose of the Scout Camp is to provide Scouting experiences, which strengthen your Troop operation, by supporting the efforts of your Troop's leadership - both youth and adult - and by fulfilling the promise of Scouting, in the outdoors! It is our goal at Scott Scout Ranch to provide Nationally Accredited Camp Facilities and Programs for the use of scouting youth year-after-year! Camp Staff and Facilities are also resources for you to use in achieving your own Troop's goals, and in fulfilling the mission of the Boy Scouts of America.

Non-Discriminatory Policy Statement - Three Rivers Council, BSA

"No person shall be denied participation in Scouting on grounds of race, color, national origin, disability, political beliefs, or religion nor be denied benefits of or otherwise subjected to any discrimination. Every registered Scouter must subscribe to the principles and by-laws of the Boy Scouts of America."

The following membership standard for youth members of the Boy Scouts of America is hereby adopted and approved, effective January 1st 2014:

Youth membership in the Boy Scouts of America is open to all youth who meet the specific membership requirements to join the Cub Scout, Scouts BSA, Sea Scout, and Venturing programs. Membership in any program of the Boy Scouts of America requires the youth member to (a) subscribe to and abide by the values expressed in the Scout Oath and Scout Law, (b) subscribe to and abide by the precepts of the Declaration of Religious Principle (duty to God), and (c) demonstrate behavior that exemplifies the highest level of good conduct and respect for others and is consistent at all times with the values expressed in the Scout Oath and Scout Law. No youth may be denied membership in the Boy Scouts of America on the basis of sexual orientation or preference alone.

Registration Fees Notes

Winter Camp at Scott Scout Ranch continues to be a very reasonably priced program when you consider the length and depth of the programs available and we thank you for your continued support.

If you have any questions regarding any of the Registration Fees or Refund Policies, please don't hesitate to let us know.

Notable Scott Scout Ranch Policies

In order to consolidate the Leader’s Guide, we have separated the bulk of the Scott Scout Ranch Policies into a separate document. This Policies document is attached to the Leader’s Guide as part of the Appendix and also available on the Three Rivers Council website.

**Note that the Policies mentioned below are explained in detail starting on pages 22-25.

A safe environment (physically, mentally, and emotionally) is our primary goal for everyone participating or Staffing Winter Camp at Scott Scout Ranch. Therefore, Youth Protection and the related Child Abuse Policies are taken very seriously.

All adult Staff members (18 and older) and volunteers of Three Rivers Council BSA for the Winter Camp week have a right to a working environment that is free from harassment, discrimination, and retaliation.

Included in our goal of providing a Safe environment for all participants during Winter Camp is the management of all motorized vehicles within Camp Property. Please take a moment to review the new Winter Camp policies regarding Vehicle Use & UTV/ATV Use; so that everyone is well informed of what is expected during your time at Camp. We will always provide necessary accommodations to ensure that each program is provided the support required and anyone with special medical needs are able to participate in as many activities as possible, but Camp Policies will be followed to the letter. So please review these policies in detail and share any questions you may have.

Pathfinders Program (Download Program Guide from Council website)

The Pathfinders Program is a program to introduce first year Scouts to Scott Scout Ranch and the Scouting Program by focusing on advancement to the First Class Rank while providing fun and adventure in the great outdoors.

The Pathfinders Program is geared for young Scouts who have not yet achieved the Tenderfoot Rank. It is a slower paced program that focuses on basic Scout skills that are contained within the requirements for Tenderfoot, 2nd Class, and the 1st Class Ranks.

Participants will be organized into Patrols within the Program and will operate as a team while they build their Scout skills. While older Scouts will probably benefit more from the various Merit Badge sessions offered during Winter Camp, younger Scouts in the Pathfinders Program will get a jump-start to their Scouting career.

Look for the Pathfinders Program when you are signing up each Scout on the online registration database. **Pathfinders will take up all 4 Merit badge sessions (all day).**

**Don't hesitate to talk to your Camp Director or Program Director if you have any questions regarding the Pathfinders Program for younger Scouts**
Mountain Man Program (Download Program Guide from Council website)

Primitive Camping, Black Powder Rifle Shooting, Tomahawks, Outdoor Cooking, Trapping, Indian Lore, Wild-West Stories... these are just a few of the things you will be exposed to as a participant of the Mountain Man Program.

The Mountain Man Program is a stand-alone program that offers a immersion experience into the Mountain Man way of life. This program is geared to the older Scout and offers the chance to take their basic Scout skills to the next level.

Participants in the Mountain Man Program will make their home in the Eagles Nest Campsite for the week and will participate in a wide range of period activities.

Look for the Mountain Man Program when you are signing up each Scout on the online registration database and keep your eyes on the Council Website for a Mountain Man Program Guide that will be released by the end of August.

Don't hesitate to talk to your Camp Director or Program Director if you have any questions regarding the Mountain Man Program for older Scouts.

Camp Policies

Youth Protection & Child Abuse

Camp should always be a safe place for our Scouting Youth. All adults must have completed the State of Texas and BSA Youth Protection Trainings prior to arriving at Scott Scout Ranch. Youth Protection & Buddy System measures will be observed at all times and should contain the following (at a minimum):

1. Scouts should utilize the "Buddy System" of two (2) or more Scouts who proceed to & from activities and stay together.
2. One-on-one activities between a youth and an adult are not permitted.
3. Youth and adults are not permitted to share the same tent or sleeping quarters, unless in the case of a parent and their child.
4. Youth & adult privacy is to be maintained in all shower and dressing areas.

Units are encouraged to utilize a "checkout board" in their campsite area. If any Scout is missing then the Key-4 Staff are to be immediately notified so that the Scout can be located, and if necessary the Emergency Procedures will be activated.

Protection of our members requires vigilance in observing Scout activities and immediate intervention when a policy violation occurs.

All persons involved in Scouting must report to local authorities - without undue delay - any good faith suspicion or belief that a child has been subjected to abuse or neglect. You should not delegate this responsibility to anyone else and no one should interfere with this reporting responsibility or attempt to delay or dissuade you from making a report to the authorities.

Child Abuse Reporting Procedures at Scott Scout Ranch

1. All persons involved in Scouting must report to the Tyler County Sheriff Office, without any undue delay, any good faith suspicion or belief that a child has been subjected to abuse or neglect.
2. BSA Anti-Harassment

Our organization is committed to providing all employees with a working environment that is free from harassment, discrimination, and retaliation.

Illegal Discrimination

Laws prohibit discrimination and harassment based on employees' protected characteristics:

- Employers usually can't hire, assign duties, or fire employees based on any protected characteristic
- Harassment refers to offensive misconduct, and can include verbal or physical misbehavior, and abusive pictures or other items

The law only prohibits severe or pervasive behavior. The abuse must not only offend an individual victim, but it must also be bad enough to offend a reasonable person.

Sexual Harassment

Sexual harassment includes unwelcome sexual conduct that interferes with an employee's work performance and creates a hostile work environment:

- It may be caused by supervisors, subordinates, co-workers, or even non-employees
- The law protects everyone from unwelcome sexual misconduct, no matter your job, sex, or gender

However, the law only prohibits unwelcome discriminatory conduct that interferes with a reasonable employee's ability to work.

Preventing & Responding to Problems

When there is a problem:

- A person being harassed is expected to follow the organization's complaint procedures
- Once an organization knows (or should know) about misconduct, it has a duty to respond promptly and appropriately

Unlawful harassment prevention training is required for all adult staff (18 years of age and older). This training meets the legal requirements for unlawful harassment prevention training. This training also provides the foundational knowledge for greater understanding of this topic. Although this training focuses on legal requirements, adult staff is also held to the standards contained in the Code of Conduct, as well as all other requirements found in your Leader’s Guidebook.

Camp Vehicle Use Policy

Vehicle use at Scott Scout Ranch during the Winter Camp event will fall under the guidelines as outlined in the Scott Scout Ranch Policies document (Section 1.4 - Parking & Vehicle Management). This includes, but is not limited to, the following:

1.4.2.1 - Roads in camp are restricted to service vehicles. [...] 

1.4.2.2 - [...] Youth under 18 years of age with a valid driving license must park in the main parking lot at the entrance to Scott Scout Ranch, lock their vehicles, and may not drive them until they leave Scott Scout Ranch at the end of the designated activity. [...] 

1.4.2.3 - Units with troop trailers to carry unit gear will reserve sites with the authorized trailer parking areas. At family camp activities, adult leaders and parents may drive to their designated camp site, unload gear, and then they must park their vehicle in a Three Rivers Council Camping Committee designated parking lot until the event is over or they are finally leaving camp. 

1.4.3.2 - Individuals with disabilities may obtain permission for special transport, if needed. The event chairperson will confirm this need at least two (2) weeks prior to the event to allow time to facilitate any special needs. It must be understood that no other person than the individual with the disability, a caregiver if needed, and a driver may be transported in the vehicle. 

1.4.4.1 - Vehicles while on Three Rivers Council Property will follow these rules:
   a. Operators of vehicles must have a current valid state driver's license.
   b. All operators of vehicles on camp property must be 18 years of age or over.
   c. The speed limit in Scott Scout Ranch is 10 miles per hour and must be strictly observed and violation of this policy will result in the individual's expulsion from Scott Scout Ranch.
   d. Passengers must ride in permanently installed seats equipped with seat belts. There must be a seat belt for each passenger.
   e. No one is allowed to ride on the outside of any motor vehicle or in the open back of any van or pickup truck.
   f. Vehicle use is limited to essential travel as defined by the Camp Ranger or Campmaster.
   g. All parked vehicles must have the keys removed and the doors locked.
UTV/ATV Use Policy

Personal ATVs, Quad-runners, UTVs, golf carts, or motorized scooters are not allowed on Scott Scout Ranch property unless properly authorized in advance of an official event or activity.

ATVs and UTVs may be authorized for use at Scott Scout Ranch but are restricted to Maintenance and Administrative use only.

Drivers of these vehicles must be approved by the Scout Executive, Council Camping Chairman, or Camp Ranger. The vehicle will be inspected and approved by the Camping Chairman or Camp Ranger and then be issued identification authorizing its use in camp.

The operation of an off-road vehicle without possession of evidence of completion of the required safety program for that vehicle is strictly forbidden. The course may be found online at: https://cbt.svia.org/moodle/login/index.php and a certificate of completion of the course must be carried at all times while operating the vehicle.

Authorized drivers of ATVs and UTVs:

1. Drivers must be at least 21 years of age and have a valid driver's license.
2. All drivers must be certified by successfully completing the on-line ATV/UTV training course and download successful proof of completion. The course requires 2-1/2 hours for completion.
3. Drivers must observe camp speed limits (10 mph) and must drive in a courteous manner and yield right-of-way to pedestrians.
4. All UTV Drivers must wear a seat belt and helmets are strongly recommended.
5. It is mandatory that ATV drivers wear helmets at all times while operating the vehicle.
6. Only authorized passengers may be carried in the vehicle and there must be a seat available for each passenger.
7. ATVs are prohibited from traveling off established roads except in response to an emergency.
8. UTVs may go off road to reach maintenance sites.
9. Drivers are responsible for the safe operation and condition of the vehicle.

Any violation of these rules and regulations may result in loss of privilege of vehicle use.
CAMP OPERATION MODIFICATIONS

The following are modifications being made to all camp operations. These changes are dynamic and will be implemented in compliance with state and local agency guidelines.

- Participants will be instructed to maintain at least 6 feet of separation as much as possible (or whatever the recommendation is at the start of the camp session).
- Limit capacity of class/activity size. Utilize space available in the most efficient way possible to allow for social distancing.
- Each participant will be encouraged to bring their own camp chair to their classes as social distancing will not allow more than 4 participants per picnic table.
- Water Bottles – We will require all participants only use their own water bottle at camp. Adults are expected to bring their own water bottles. Individual names need to be on all water bottles by participants and staff.

CHECK-IN PROCEDURES have been modified at each camp to allow for the screening process (see Appendix).

- Check-in Screening – In addition to the standard BSA Medical Form parts A, B, and C, upon arrival to camp all staff and participants will be screened by submitting a standardized questionnaire, COVID-19 waiver and their temperature will be taken. Those who fail the screening will be refused entry and will be asked to leave camp immediately.
- Sickness at Camp – Participants presenting with symptoms of COVID-19 will be temporarily quarantined and sent home immediately.
- All parents must fill out a “Commitment to Transport” that requires their written acceptance that they will provide transportation for their youth should that youth be identified as someone who needs to be sent home. (See Appendix).
- Visitors – There will be no family visitors during the camp session. If a unit is changing adults during the week, each new adult will need to check in at the office and complete pre-screening procedures.
- Once an individual (youth or adult) has checked in to camp they should not plan to leave the property. Readmittance to camp will be on a very limited basis and units should plan accordingly.
- Hand-washing – As a Scout is Clean, we will direct participants to thoroughly wash their hands often. We are installing additional hand washing and sanitizing stations.
- Personal protection equipment (PPE) – A Scout or leader is encouraged to bring their own supply of hand sanitizer, face mask, and/or gloves as they deem necessary.
- **Camp Sanitation Personnel - We will ask for volunteers from our attending adults to serve as a “Camp Sanitation Personnel.” This group of volunteers will be provided detailed instructions, equipment and materials to clean and sanitize all parts of camp.
- **Camp Commissioner will maintain a duty roster of these “Camp Sanitation Personnel” and hand out assignments to specific parts of camp each morning after breakfast.
- Protective Gear – We will review the best methods for the use of gloves, masks, etc., while on our properties.
- Camp Equipment – We will properly sanitize all community and reusable program equipment after each use. This includes teaching and visual aids (posters, sample items), tools, terrariums, aquariums, tables, benches.
- Welding – Welding station will be sprayed with disinfectant and the welding masks and equipment will be wiped down with disinfecting wipes.

Shooting sports

- Rifle Range – Each Scout on the firing line will be given a disinfectant wipe to wipe down each rifle, ammo block, safety glasses, hearing protection, and shooting stand.
- Shotgun Range – Each Scout that participates will be given a disinfectant wipe to wipe down each shotgun, ammo block, safety glasses, hearing protection, and shooting stand after use.
- Archery range – Each Scout on the firing line will be given a disinfectant wipe to wipe down each bow, arrow, safety glasses, and target stand.
Modification of Program Areas
- Where possible, Three Rivers Council has made classes smaller, added additional staff, and has ensured that program areas meet local, state, or federal guidelines for social distancing.

Modification of Visitor Policy at Camp
- Visitors are defined as anyone who is not a youth participant, adult participant, staff, or vendor. Programs will be adjusted to eliminate non-emergency visitors (i.e. removal of family nights, guest instructors, etc.). All visitors will have a screening/temperature check as well as oximeter reading when arriving at camp along with collection and review of the governmental pre-screening self-assessment. This is in addition to all other documents needed to check into camp.

Units Attending Camp
- Medical Information (SEE APPENDIX FOR ALL UPDATED HEALTH LODGE PROCEDURES)
  - All units will need to ensure that all participants coming to camp are prepared with a governmental pre-screening self-assessment too, COVID-19 waivers, and, where necessary, a doctor recommendation to attend the specific camp. The pre-screening assessment tool, done 24 hours prior to arrival on camp, will be brought to camp as part of check-in documentation, i.e. Commitment to Transport Plan, etc.
  - All Medical Forms are completed for all attendees (Scouts, leaders, parents, visitors, etc.)
  - All COVID-19 Screening Form are completed for all attendees (Scouts, leaders, parents, visitors, etc.) (See Pre-Event Medical Screening in Appendix)
  - COVID-19 waiver signed and completed by participants and/or parents/guardian.
  - Participants must have current medical information and must provide BSA’s annual health and medical record (AHMR).

Unit Sanitization Supplies
- Units will be supplied necessary items and encouraged to augment those supplies by bringing approved supplies from home (See approved Unit Sanitation Supply List in Appendix)

Leaders Attending Camp
- All adults attending camp will need to meet already existing BSA requirements as it relates to medical screenings. In addition to this, they will also need to have a governmental pre-screening self-assessment tool and, where necessary, a doctor recommendation to attend the specific camp. The pre-screening assessment tool, done 24 hours prior to arrival on camp, will be brought to camp as part of check-in documentation.
- All leaders will need to ensure that they have reviewed the Camper Equipment Checklist. In addition to this, all leaders will need to review the 2020 Supplemental Camper Equipment Checklist. (See Appendix for both documents.)
- Please review the statement, sign and bring to camp with your camp medical form.

Three Rivers Council Pre-Event Medical Screening Checklist

Use this checklist to assist in identifying potentially communicable diseases before event participation.

The intent of this checklist is to review with each youth and adult participant their current health status, both before departure and upon arrival at the event. Anyone entering a camp or event — including visitors, vendors, etc. — should be screened using this checklist.

__ Yes __ No Have you been in contact with anyone who has COVID-19 or is otherwise sick?
__ Yes __ No Have you or anyone you have been in close contact with traveled on a cruise ship, internationally, or to an area with a known communicable disease outbreak in the last 14 days?

*If the answer is “yes” to either of these questions, the participant must stay home.*

__ Yes __ No Are you in a higher-risk category as defined by the CDC guidelines?
If the answer is “yes” to this question, we recommend that you stay home. Should you choose to participate, you must have approval from your healthcare provider and then proceed to the symptom decision tree below.

*If the above answers are “no,” proceed to this symptom decision tree.*

**YES to any ONE symptom** → **NONE**

**YES to any TWO or more symptoms**

__ Shortness of breath
__ New or worsening dry cough
__ Fever of 100.4° or greater
__ Flu-like symptoms
__ Vomiting
__ Diarrhea

**THE PARTICIPANT MUST STAY HOME**
These symptoms are associated with communicable diseases and the participant MUST stay home until medically cleared by their health care provider.
Parental Commitment to Transport
To be completed and submitted to camp upon arrival

I understand that any time during my child’s stay at Scott Scout Ranch I may be called on to transport my camper (youth or adult) from camp for medical reasons. I commit to being available for the duration of the session by phone should I need to be contacted by the camp management team. Furthermore, upon consultation with the camp management team I agree to pick up my participant within 8 hours of being contacted. I will also provide a second level contact to be prepared for unforeseen circumstances.

Closing Thoughts & Appreciation

Thank you for taking the time to read through the Leader’s Guide for this year’s Winter Camp event at Scott Scout Ranch in Woodville, Texas. Most of all, thank you for your service to Scouting. If it wasn't for Leaders who take time out of their busy lives to mentor the children in our communities, then there would be no reason for a Scout Camp.

The program at camp must be meaningful and exciting, and meet the needs and desires of each Scout who attends our camp program. It is important that you survey your Scouts and forward their evaluation of the camp program, as well as yours, so the camp program will always meet the ever-changing needs and desires of all Scouts.

We continue to look to each of the Units, our customers, for guidance and direction based on your feedback, emails, and surveys. Please don't hesitate to ever let us know what your questions, comments, and concerns are. I assure you that we take them all into consideration so that we can make Camp better and better.

All the best to you and yours during your Scouting Journey.

Happy Trails,

Floyd Broussard
